

NEW ENGLAND FLY TYERS

Rod Building Course Application

New England Fly Tyers is offering a Rod Building Class for beginners. An instructor will show you all the basic procedures in custom Rod Building and help you build a fly rod. Classes are designed for people who have little to no experience in rod building. Class size will be limited to ensure plenty of personnel attention.

Class will start on February 10th, 2020. To meet our instructors plan on attending one of our two open houses to see what is needed for the course and to have any questions you may have answered at the open house or stop by our booth at this years Fly Fishing Show at the Royal Plaza Trade Center in Marlboro, Ma January 17-19th, 2020 or at the New England Fishing and Outdoor Expo, Boxborough Holiday Inn, January 24-26th, 2020.

Some of the techniques you will learn include:

- Selecting the right blank and components
- Finding the spline
- Installing cork and reel seat
- Guide placement
- Attaching tips
- Thread wrapping
- Applying clear coat

This course takes approximately 4 nights to complete the rod depending on the class size and the number of questions asked during the class. This course will also help you in fixing a broken tip or rod component on an existing fishing rod.

The cost for this class is \$25.00 for nonmembers and free for NEFT members plus the cost of the rod and components desired.

The list of components is:

- Rod Blank
- Grip
- Reel Seat
- Eyes and Tip
- Thread

Components can be purchased separate or as a kit. Details can be discussed with instructors at our two Open House on January 27th, 2020 or on February 3rd, 2020 at our club on Monday night.
